MRCC HIRING COMBINE

**UNION CARPENTER & MILLWRIGHT TRAINING CENTER
11687 AMERICAN AVE., DETROIT, MI 48204
MAY 18, 2024 • 7 AM-NOON**

The MRCC's Hiring Combine is the best place to find and hire construction talent.

Instead of judging candidates from behind a table, watch them demonstrate their talent, attitude, and hustle on our 10-station skills course. Scout candidates from the course, or from an elevated platform reserved for contractors. Ready to hire?

Review a candidate's resume and details using our online portal, and pull any candidate you are interested in aside for an on-the-spot interview.

We recommend at least 5 people from your hiring/HR teams attend the Combine to take full advantage of this unique hiring opportunity.

SCOUT. RECRUIT. HIRE.
